

Believer's Foundation Class LMS

Executive Architecture, Learning Modes & Platform Governance

Cohort Date: October 12, 2026

Format: Virtual Discipleship

1. EXECUTIVE OVERVIEW & PURPOSE

The Believer's Foundation Class Learning Management System (LMS) is the RCCG YAYA Counselling Department's specialized digital discipleship platform. It is designed exclusively for new converts, altar call respondents, and growing believers seeking to build an unshakeable doctrinal foundation in Christ. Combining self-paced weekly study with live interactive Monday webinars, the platform ensures standardized spiritual grounding across all national provinces and global zones.

2. THE 4 INTERACTIVE LEARNING MODES (STUDENT JOURNEY)

MODE 1 • SELF-PACED STUDY

24/7 Digital Doctrinal Reader

Students progress independently throughout the week on their portal, studying rich lesson notes, scripture outlines, memory verses, and downloadable PDF manual sections on any smartphone or browser.

MODE 2 • LIVE WEBINAR

Monday Live Classes (Google Meet)

Live interactive classes hold exclusively on **Mondays via Google Meet**. Lecturers lead deep-dive discussions and broadcast time-sensitive attendance codes that students submit on the portal for verified attendance.

MODE 3 • KNOWLEDGE CHECKS

Multiple Quizzes & Retake Engine

Each module features multiple-choice quizzes testing doctrinal comprehension. Instant scoring, scriptural explanations, and retakes allow students to master key concepts until the 70% passing threshold is attained.

MODE 4 • 2-WAY FACILITATION

Doctrinal Q&A & WhatsApp Desk

Students submit personal theological questions directly within each lesson for official teacher response, while the class WhatsApp channel coordinates Google Meet links, lecture reminders, and broadcasts.

14-Module Curriculum Outline

Distribution of 52 Doctrinal Topics & Core Practical Units Across 14 Modules

Source: Document (4) (2).pdf

Curriculum: 52 Doctrinal Topics

The curriculum systematically leads candidates from foundational repentance and the new birth, through the work of the Holy Spirit, Christian ethics, and family, culminating in biblical eschatology and the authority of the Word of God:

MODULE UNIT	DOCTRINAL TOPICS & SCRIPTURAL THEMES	TOPIC NUMBERS

Platform Architecture & Functionalities

Role-Based Access Control, Clearance Algorithm & Data Security

Database: PostgreSQL RLS

Target Audience: Discipleship Converts

3. LMS FUNCTIONALITIES ACROSS THE 3 CORE ROLES

CANDIDATE PORTAL Candidate Learning Desk • Personal Dashboard: Tracks real-time completion % and active module spotlight. • Class Reader: Responsive study notes with scripture links and downloadable resources. • Monday Check-in: In-session Google Meet attendance code verification widget. • Multiple Quizzes: Comprehension checks with instant grading and retake options. • Q&A Inbox: Direct theological queries sent to teachers. • Certification: Real-time discipleship graduation pass.	LECTURER PORTAL Lecturer & Teacher Desk • Teaching Roster: View assigned doctrinal modules and student rosters. • Resource Manager: Upload supplementary notes, study aids, and session slides. • Attendance Engine: Generate and reveal live codes during Monday Google Meet sessions. • Q&A Moderation: Review student questions and publish approved pastoral guidance. • Class Progress: Track candidate attendance and pass rates per lecture.	EXECUTIVE ADMIN Administrative Oversight • Cohort Gatekeeper: Toggle intake registration open/closed; manage waitlists. • Pacing Controls: Granular day-by-day lesson notes and quiz lock/unlock controls. • Audit Sheets: Cross-tabulated master attendance sheet of all candidates across 14 modules. • Teacher Allocation: Assign volunteer ministers and lecturers to modules. • Data Export: Secure export to Excel/CSV for regional and national leadership.
---	--	---

4. DISCIPLESHIP CERTIFICATION & PARISH CLEARANCE ENGINE

STRICT GRADUATION STANDARDS 1. Monday Webinar Attendance (Minimum 80%): Students must participate in the Monday Google Meet live classes and submit the broadcast code for at least 11 of the 14 sessions.	2. Doctrinal Mastery (70% Pass Across Multiple Quizzes): Students must attain a minimum grade of 70% across all 14 module quizzes, utilizing retakes to reinforce true biblical understanding.
--	--

5. DATA PRIVACY & MINISTERIAL GOVERNANCE

In strict adherence to ministerial ethics and departmental rules, candidate profiles are secured behind Row Level Security (RLS). High-level leadership and public statistical summaries report aggregate metrics, candidate counts, and completion percentages with zero exposure of unredacted personal details.
